

Difuse DMSBG-100

Mid-market power. Built-in resilience.

Overview

The DMSBG-100 is built for businesses that have outgrown basic networking. Dual WAN ports with 5G/LTE failover keep your operations running even when your primary link drops. It supports up to 100 data users and 500 SIP endpoints across two SIP trunks, making it the right fit for mid-sized offices, multi-department teams, and sites that cannot afford downtime.

Feature Set

Every Difuse device ships with the full DifOS feature set. No feature gates.

Full-feature PBX with auto-attendant, call queues, call recording, hot desking, and voicemail transcription

Inbuilt Session Border Controller (SBC) for MS Teams, cloud CC, and PSTN bridging

Visual IVR builder with AI receptionist

Hardware phone support: Yealink, Cisco, Grandstream

WebRTC: browser-based calling, zero install

Stateful firewall with real-time intrusion prevention

GeoIP-based firewall rules

IPSec VPN: IKEv1/IKEv2, AES-256-GCM, multi-vendor interop

WireGuard VPN: ChaCha20 encryption, sub-100ms roaming reconnect

Policy-based routing by domain and subnet

Identity-aware access via AD/LDAP with MFA support

Free DynDNS per device (<host>.difusedns.com)

SIP trunk compatible: STC, Du, e& (Etisalat), Jio, Airtel, BSNL, Twilio, and more

Licensed Features & Subscriptions

The following features require separate licensing or subscription to unlock their full potential:

Softphone support: Windows, Mac, iOS, Android (per-user license required)

Deep packet inspection and application filtering (DifGuard subscription required for signature and filter updates)

Web content filtering with daily-updated category feeds (DifGuard subscription required for updates)

Technical Specifications

PARAMETER	SPECIFICATION
Data Users	Up to 100
SIP Endpoints	500
SIP Trunks	2* (expandable with licensing)
WAN	2x Gigabit Ethernet
LAN	4x Gigabit Ethernet
5G/LTE Failover	Yes
Hypervisors	N/A
Bare Metal Install	N/A
Operating System	DifOS 3.0

All hardware models include a **1-year warranty extendable to 3 years**. One year signature updates included. Can be renewed for one or three years.

*(Additional SIP trunks available at extra charge. Contact us for licensing options.)
